Welcome to Castlemains

Castlemains is a residential development in the beautiful village of Dirleton. Situated just one mile outside the vibrant seaside town of North Berwick, these gorgeous, modern 3 to 5 bed homes create the perfect family home.

The area boasts stunning scenery, great choice of amenities and schools perfect for family life. Only a 30 minute drive from Edinburgh, you can enjoy the best of city and country life.

Each home is named after historic families who previously lived in Dirleton Castle or castles in East Lothian, giving the development a historic connection to the local community.

The care and attention that has been put into this development really sets Castlemains apart. There are 9 unique layouts, each of them with their own character and modern family living in mind.

Natural light flows through the property thanks to the large windows and vaulted ceilings, creating spacious and contemporary rooms. The open plan designer German kitchen, dining and living area, as well as the spacious private gardens create the perfect family space. The comfortable bedrooms feature fitted designer wardrobes, with all of the master bedrooms including an ensuite bathroom for that extra space to unwind in. Every house also includes a driveway with space for 2 cars, and a good sized garage.

All properties have been designed to meet greener standards and are A rated energy efficient due to high quality insulation, heat recovery units, energy rated glazing as well as an air source removing the requirements for fossil fuels.

What makes Castlemains unique is that it's been designed with community in mind. Which means you can enjoy all the activities and amenities of the coast and countryside while at the same time being part of a community.

Dirleton is one of the prettiest of East Lothian's conservation villages and offers the best of both rural and coastal living, within 30 mins drive from Edinburgh city centre and only one mile outside the vibrant seaside towns of North Berwick and Gullane.

Dirleton is home to the historic Dirleton Castle, a well-preserved medieval fortress, one of Scotland's oldest surviving strongholds. The 13th-century fortress was for 400 years a magnificent fortified residence to three successive noble families, the de Vauxs, Haliburtons and Ruthvens.

Dirleton Village

Yellowcraig Beach

The spectacular Yellowcraig Beach is only a short walk from the development and is one of the many fantastic beaches along the coastline, ideal for walking the dog or having a picnic.

For children, there is a big variety of activities and outings. From sports coaching, to arts and crafts centres, museums, farm parks, sea bird centre as well as many other leisure activities.

Dirleton is surrounded by many high quality schools and is home to Dirleton Primary School. The closest secondary school, North Berwick High, is considered as one of the best state schools in Scotland. There are other independent schools within the area including Compass School in Haddington and Loretto located in Musselburgh.

As a small village, Dirleton is very fortunate to have two inns with restaurant facilities that are popular with locals and visitors alike. From The Castle Inn to more formal dining at The Open Arms. Many other restaurants/bars are easily accessible in Gullane and North Berwick including Tom Kitchen's The Bonnie Badger.

Dirleton is lucky to have so much local produce, close to farm shops, markets and cafes. So you'll be sure to pick up great quality food for the whole family to enjoy. It's also not far from supermarkets like Tesco and Aldi in North Berwick and Co-op Food in Gullane.

Tantallon Castle

The Bonnie Badger

Great local produce

Being located on the Golf Coast, Dirleton is blessed with some of the top courses in the UK on its doorstep including the current Scottish Open venue, The Renaissance Club. Other courses within a 10 minutes drive include Archerfield, Gullane, Muirfield, Luffness and North Berwick.

All around the area you will come across many activities for all ages such as horseback riding tours, boat trips, bike tours... and so much more. The Walled Garden at Archerfield is also a great place to spend an afternoon with the family. Situated within the Archerfield Estate it has a host of activities ranging from gardens to walk around, food market, cafe and fairy trail.

One of the great features of Dirleton is the peaceful scenery and gardens. In the spring, the village green and verges come alive with crocus and daffodils, with plenty of spreading trees around the green to provide autumn colour and dramatic winter shapes. There are also a number of beautiful local gardens regularly open to the public, which are well worth a visit.

Dirleton - The very best of rural and coastal living for the whole family.
